MEMORANDUM FOR: See Distribution

FROM : Sayre Stevens
Deputy Director for Intelligence

SUBJECT : Security Classification Markings

REFERENCE : Security Classification Markings
of Paragraphs and Titles

STAT

The reference Notice provides for the classification by paragraph and title of collateral materials only and makes no provision for codeword or control markings. A Community regulation that currently is in draft includes detailed instructions for handling all classifications, codewords, and controls. Because of the complexity of implementing a system for classifying all paragraphs and titles, I have decided to exempt temporarily all Directorate documents from until the comprehensive Community regulation is issued.
